They have even developed their own fantastic recipe for their own homemade award-winning Sweet Chilli Sausages. Sculpture Trail: 25th August to 30th September

The Sculpture Trail has been running for over 10 years and usually exhibits over **100 different works of art**. The trail is firmly fixed on both the general tourist and the art lover's map, and provides a great reason to visit to the craft centre this September.

Key pieces will be the striking abstract structures by **Simon Probyn** who has been awarded a gold medal this year for his garden display at the Hampton Court Flower Show. New to the trail are Wendy Stafford's giant fused glass flowers.

The 2017 Sculpture Trail is open daily. Entry is free of charge.

Further details are available online.

Worcestershire Open Studios: 26th– 28th August

Worcestershire Open Studios is a not-for-profit organisation run by a group of local artists who are working to establish an annual open studios event in Worcester and the surrounding areas.

Now in its third year, the open studios provide a unique opportunity to visit artists, their exhibitions and galleries to see beautiful art and craft and have the opportunity to purchase their work.

The Jinney Ring Craft Centre's designer makers take part in the open studios as a group entry, alongside our resident artist Michael Salt in his own right.
