A Bohemian Night of Music and Poetry

On **Friday 24th November** the stage is set at Jinney Ring as we welcome a **five act lineup** for one night only!

Local poet and musician, **Steve Soden**, engages his audiences with a strong presence and thought-provoking spoken word. He is joined by the "poet with punch", **Matt 'Man' Windle**, who who is a professional boxer who also has a unique talent for contemporary poetry! Also a poet is **Kieran Davis**, as bold as he is bald, and master of wit!

Bring music to our ears on the night at folk duo **Deborah Rose and Mari Randle**, who played The Green Gathering Festival this year, and also **Danielle Cawdell** whose delicate voice and piano ballads tell hard truths.

A **two course supper**, with welcome drinks and canapes on arrival, completes the occasions for an entertaining evening with such talented guests! [Tickets at £27.50 and the menu are available online.](#)
